The Best of 2007

I am such a slacker. It's already 2008 and I forgot to post my favorite things from 2007.

2007 was quite a year. Amazing things have happened to me career-wise and we added a **new little addition** to our family (it's hard to believe he is already 8 months old!!!) I had **surgery** and got a promotion and I finally made it to **Fashion Week**. I also became friends with some pretty

amazing people--the ever-fabulous **Billy B.**, the utterly talented **Syd Curry**, my psychic sister Hillary, owner of **Solessence**, and really got to know the lovely Cheri from **Urban Apothecary**.

Below are my top 10 favorite beauty products from 2007. Be sure to stop by **Makeup Minute** to see my top ten favorite makeup products!

1. **Alterna Caviar Shampoo & Conditioner**
2. **inSpa Pore Purifying Masque**
3. **Elemis Skin Nourishing Milk Bath**
4. **SuperMoist Body Moisturizer**
5. **KLEAN Bath & Body**
6. **Artemis Woman Heel Smoother Pro & Topaz Butter**
7. **Solessence Creamed Sugar & Coconut Milk Scrub**
8. **Fraiche Bath Swizzle**
9. **Conair Infiniti Nano Silver Ceramic Hair Straightener**
10. **Baby Quasar LED Light Therapy**

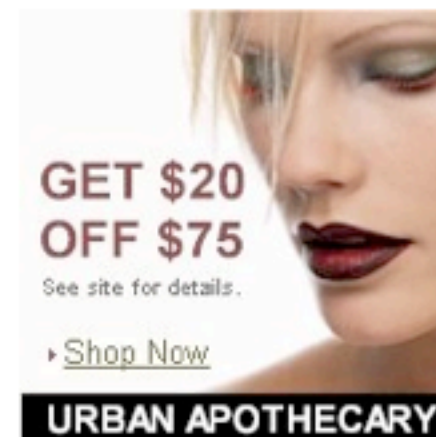

I honestly probably could've listed at least 5 more!

One fashion item I love is **The Body Wrap** (fabulous product!)
